Preamble

With regard to the talks with foreign partners aimed at a significant capital commitment in the company WEEDO SA The Management Board informs that the parties agreed that KANA Digital Company will undertake a study of the company in terms of the legal and financial risks.

For this purpose, will be leased to a specialized law firm Legal and Tax.

This study aims to determine the potential WEEDO SA as a partner and representative of the company on the Polish market.

After conducting the due diligence of the parties shall take appropriate measures to strengthen cooperation.

The parties also support the content of the letter of intent dated 11/07/2013, and maintain it in force until the completion of due diligence, that is, until 15 January 2014
