

**Report on review of interim condensed consolidated financial statements
to the general shareholders meeting of Globe Trade Centre S.A.**

Introduction

We have reviewed the attached interim condensed consolidated statement of financial position of Globe Trade Centre S.A. ('the Company') as at 30 September 2010 and the related interim condensed consolidated income statement, interim condensed consolidated statement of comprehensive income, interim condensed consolidated statement of changes in equity, interim condensed consolidated statement of cash flows for the nine-month period then ended, and notes ('the attached interim condensed consolidated financial statements').

Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting' as adopted by the European Union ('IAS 34'). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the attached interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

We also reported on 10 November 2010 separately on the interim condensed consolidated financial statements of Globe Trade Centre S.A. for the same period prepared in accordance with IAS 34 using PLN as the presentation currency.
