Interim Squeeze-out Dividend for NWR NV shareholders

New World Resources N.V. ('NWR NV' or the 'Company') announces that the Board of Directors of NWR NV has proposed an interim squeeze-out dividend of EUR 0.01 per share, which will be paid to A shareholders of the Company on 5 October 2012. The purpose of the dividend is to fund the squeeze-out price to be paid by New World Resources Plc to the remaining A shareholders of the Company (for details, please see today's joint announcement of New World Resources Plc and the Company).

Subject to various exceptions and exemptions, shareholders are generally subject to Dutch dividend withholding tax at the rate of 15% on dividends distributed, which the Company is required to withhold and account for to the Dutch tax authorities. Shareholders should consult their own tax advisers as to their particular tax consequences for receiving dividends from NWR NV.

The dividend for NWR NV is declared in Euros.

The timetable with respect to the interim squeeze-out dividend will be:

Record date (record time is close of market)	27 September 2012
Payment date	5 October 2012

The total amount of the interim squeeze-out dividend will be EUR 2,646,987.15, while the total number of shares amounts to 264,689,715 A shares.

Further details regarding dividend payments are available on NWR's website (www.newworldresources.eu) or at the Company's registrars.
